

ARTFUL LIVING

"PRODUCING QUALITY COMMUNITY THEATER"

May 2017

Dear Friend of the Arts:

Be a part of a Connecticut legacy and support the arts by advertising your business for the potential thousands who will see Artful Living's, **The Music Man** this summer. Our eleventh smash hit summer musical promises to be a tremendous success.

We invite you to be part of the excitement!

Your advertisement in our program will ensure ARTFUL LIVING creates a vibrant experience in Community Theater for the children, teens, adults and families already deeply involved in this production.

Your participation shows our greater community your commitment to provide fine musical theater and opportunities for healthy intergenerational connections.

Artful Living is a not-for-profit 501c3 Community Theater. Our talented cast, crew and professional orchestra come from many communities throughout Connecticut. With a huge cast and crew near 100 people, we anticipate sell out crowds. People from all over Middlesex, New Haven, Hartford and New London Counties and beyond will view your ad over the course of the four performances. Advertisers will also be listed on our website, further promoting your business.

The Music Man will be performed on July 28, 29 & 30.

Information about performances and Advertising/Sponsor forms can be found at www.ArtfulLivingCT.com. Thank you for your kind consideration.
